Objet: EIT Health - BP2019 - 2nd Innovation by Ideas Call - Evaluation results

After final approval by our Supervisory Board (18-19 February), your proposal “PREDIRA” with ID 19577 for the 2019 EIT Health Business Plan, Innovation by Ideas Call 2, has been selected for the 2019 EIT Health portfolio. Congratulations on your efforts!

All proposals went through strict eligibility checks and intensive remote and face-to-face evaluations with external experts. These steps were important in selecting outstanding proposals for our 2019 Business Plan. Your proposal has passed all stages of the selection process, something that you and your cross-EU team can feel proud of.
